LLB Graduate | LLM Candidate in Environmental Law | Ex-Junior Environmental Law Compliance Consultant | Currently a Candidate Attorney | ISO 14001 & 45001 Trainee | Ex-Intern: Air Quality & Municipal Environmental Health

Empangeni, KwaZulu-Natal, South Africa

Summary

As an Air Quality Administrator at King Cetshwayo District Municipality, I am responsible for issuing and monitoring air quality compliance licenses, conducting inspections and audits, and enforcing regulations and standards. I have 6.5+ years of experience in this role, and I am passionate about protecting the environment and ensuring public health and safety.

In addition to my current position, I am also pursuing a Bachelor of Laws degree at the University of South Africa, with a focus on environmental and mining law. I have a keen interest in these fields, as they are relevant and challenging for the South African context. I have completed certificates in Legal Assistant, Understanding Shipping, and Revenue Management, and I have skills in data analysis, accounting, and requirements analysis. I am a dynamic, hardworking, and performance-driven professional who strives to achieve excellence and deliver results.
